4 Purposes for processing personal data

The main event (Jokainen vaikuttaa! Alla påverkar!) of the Ministry of Education and Culture during the Finnish Presidency of the Nordic Council of Ministers is a Virtual Conference on Education, Culture and Youth as Drivers for Sustainable Development being held on 8 and 9 June 2021. The personal data register and the personal data in the event register will be processed for

the purpose of managing registration and participation in the event and for sharing material with the participants at the event.

5 Basis for processing personal data

The processing of personal data is mainly based on the consent of the data subjects (participants in the event) (Article 6(1)(a) of the EU General Data Protection Regulation). Data subjects consent to the processing of their personal data when they register for the event.

6 Categories of data subjects and categories of personal data to be processed

The first name and last name, profession/title, organisation/company, email address and country of the participants are requested when registering for the event. The data are obtained from the data subjects themselves at the time of registration. Images, photos, videos and other audiovisual material from the event will also be processed.

7 Processors and recipients of personal data

The personal data will be processed on behalf of the controller by a service provider called MagnumLive.

8 Transferring personal data outside the EU or the EEA or to international organisations

The personal data will not be transferred outside the EU or the EEA or to any international organisations.

9 Personal data retention periods

The controller will process personal data during the organisation of the conference and the follow-up. The participants' contact information may be used to send information about similar events in the future.

10 Data subject rights

Data subjects have the right to be informed by the controller of whether or not their personal data are processed. Data subjects have the right to withdraw their consent for processing their personal data and thus to cancel their registration for the event.

Data subjects also have the right to request from the controller:

- access to the personal data on themselves
- correction or erasure of personal data which are inaccurate or out of date
- restriction of the processing of personal data

If data subjects discover that their personal data have been processed unlawfully, they have the right to lodge a complaint with the Data Protection Ombudsman.

11 Automatic decision-making and profiling

The personal data will not be used for automated decision-making or profiling that would have an effect on the data subjects' rights or freedoms.

12 Protection of personal data

In its capacity as the controller, the Ministry of Education and Culture has taken the necessary technical and organisational measures to ensure that the data are secure and also requires this of the processors of personal data.
